1. Introduction

QEC is proud to be Victoria’s largest provider of residential and community-based early parenting services.

Formed in 1917, QEC is also a public hospital and community service organisation. We are passionate about supporting families to grow, parents to blossom and children to thrive.

QEC delivers a variety of services and support programs to families with young children (aged from newborn to 4 years of age) in partnership with government and not for profit partners.

QEC promotes the safety, wellbeing and inclusion of all children. Many families experience various challenges that, from time to time, may impact on their ability to nurture and support the growth and development of their young children. QEC offers a community of support to families if and when we are needed.

QEC programs are research-informed and tailored to meet the unique needs of each family. Our work equips families to best nurture, protect and enhance their children’s safety, health and development.

QEC’s multidisciplinary team of experienced professionals are committed to partnering with families to achieve the best outcomes for children. Our team includes Maternal and Child Health, Paediatric, Mental Health and General Nurses, a Medical Practitioner, Midwives, Psychologists, Social Workers, and Early Parenting Practitioners.

With service locations based at Noble Park, Mentone, Wodonga, Preston, Dandenong, Morwell and Bairnsdale, QEC are committed to providing services that are accessible to families across Victoria.

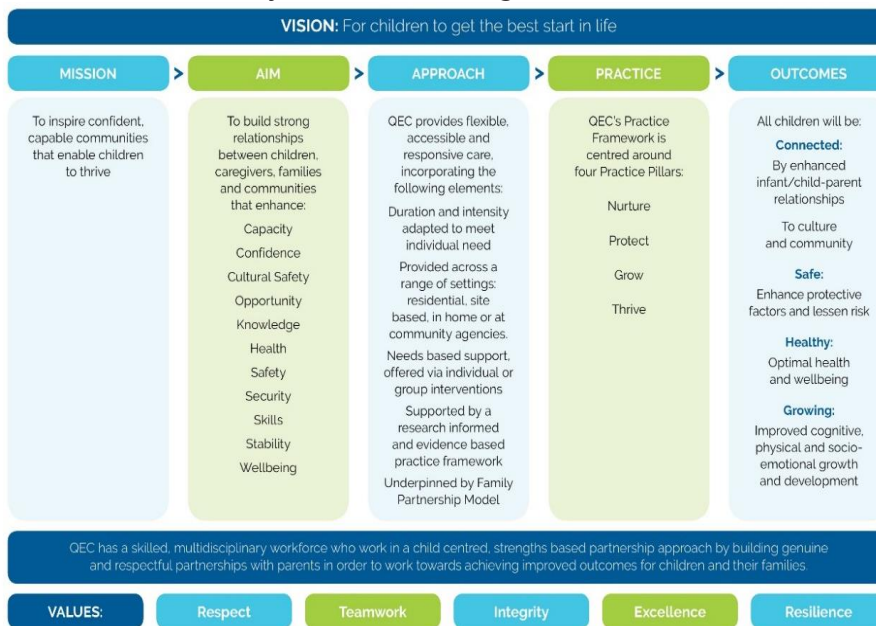

We acknowledge all Aboriginal and Torres Strait Islander peoples as the traditional owners of the lands on which we walk, live and raise our children. We pay our respects to traditional owners past, present and future and acknowledge the importance of children being raised with connections to culture, community and family.

2. Position Profile

Position Objective

Reporting to the Team Leader/Coordinator the QEC Case Worker is recognised as an integral member of the multidisciplinary team, experienced in working in alignment with QEC’s Model of care, QEC’s Clinical Practice Framework and the Best Interests Case Practice Model. The Caseworker role will work across various programs offered by QEC as directed by the Area Manager, SMR.

3. QEC Programs

QEC provide a variety of programs to families across Victoria, from our Residential and Community Sites.

Parenting Assessment and Skill Development Service (PASDS) residential

PASDS is provided to families with children aged under 4 years at high risk of harm, who are referred by the DFFH Child Protection service. The program is operated in accordance with specific protocols that provide a framework for assessment of parenting capacity, and planned interventions to support and develop parenting skills. A residential program (based at the Noble Park Site) will run for 10 days.

PASDS home based

A community-based program run in the home and is based on hours of service deliver that a family requires to meet their circumstances, as per paragraph above.

Location of Community Based PASDS Services:

- Southern Region program (operates from QEC Dandenong South site)
- North and West Region program (operates QEC from Preston site)
- Gippsland Region program (operates from QEC Morwell and Bairnsdale sites)
- Hume Region program (operates from QEC Wodonga site)

Residential Program

The Residential Program offers an intensive style of support and care for families who are experiencing a range of difficulties with their young children aged from birth until prior to turning 4 years of age. The residential stay can be 2 night/ 4 nights or 4-night telehealth. Families are provided with practical support, education and advice whilst staying at QEC.

Individual Child and Family Support Programs

The Individual Family and Child Support Programs provide families with home-based parenting support for fixed periods: 10 hours, 40 hours or 110 hours.

Location of Individual Family and Child Support Programs:

- Gippsland Region program (operates from QEC Morwell)
- Hume Region program (operates from QEC Wodonga site)
- Southern Region program (operates from QEC Dandenong South site)

Parenting Plus

Parenting Plus is a flexible home-based program, providing parenting support and coaching to families with children aged under 4 years. The program delivers early intervention to families experiencing sleep and settling difficulties and those with significant parenting challenges.

Location of Parenting Plus Services:

- Southern Region program (operates from QEC Dandenong South site)

Day Stay, Play Steps, Assessment and Intake

The Day Stay program offers families with young children aged from birth until prior to turning 4 years of age, support and education to deal with sleep and settling issues. Offered as full day admission

The Play Steps program is an evidence-based program facilitated in a group setting. Focussing on parent child relationship. Play steps is run for in 8-week cycles.

**Specialised Interventions - Stronger Families**

Specialised Interventions - Stronger Families is an intensive home visiting program targeting families with children under 4 years of age families referred to this program are enrolled in a family preservation and unification response program with QEC or a partner agency.

Location of Specialist Interventions - Stronger Families:

- Southern Region program (operates from QEC Dandenong South site)
- North and West Region program (operates QEC from Preston site)
- Gippsland Region program (operates from QEC Morwell and Bairnsdale sites)

Family Preservation and Reunification Response (FPRR)

FPRR is an intensive 240-hour home visiting program targeting families with children involved with the Child Protection system, from birth to 5 years of age (including children subject to an unborn report).

The FPRR model is an integrated and evidence-informed approach supporting children and families in partnership with Child Protection to: Keep children safely at home, prevent children and young people entering care services and support children and young people currently in care to safely reunify with their family.

4. Key Accountabilities

Position Objectives

1. Implement case work model

- Work with children and families, delivering interventions that increase parenting capacity, family functioning, achieve child safety and enhance conditions for child development.
- Deliver evidence-informed interventions and practice approaches to increase engagement of families and promote safety, stability and development of children and young people.
- Undertake FPRR education and implement learnings from the FPRR Practice modules in alignment with QEC's Model of Care and the Best Interests Case Practice Model.
- Contribute as a member of the ICFS/FPRR care team to support case planning and ongoing risk assessment.
- Manage a case load ensuring that case work practice, including documentation, is responsive to individual needs and service agreements.

2. Enhance each families' experience

- Develop and implement case plans in consultation with the families, Child Protection Navigator, other stakeholders and care teams.
- Provide families with strength based support that also addresses vulnerability, ie: family violence, mental health, AoD misuse, learning difficulty, intellectual disability, parenting challenges.
- Support therapeutic interventions for parents, recognising the importance of healing from traumatic experiences that may impact on parenting.
- Apply a practice approach that understands the importance of culture in protecting and strengthening Aboriginal families; provide culturally sensitive practice responses to Aboriginal families, including consultations with the Aboriginal Liaison Worker.
- Provide culturally sensitive practice responses to culturally diverse families, including consultations with community CALD services.
- Integrate cultural sensitivity and respect in all communications and interactions.

3. Partnership approach

- Actively participate as part of a multi-disciplinary team to meet the complex needs of the families in order to achieve their goals.
- Establish collaborative relationships with a wide range of specialist and mainstream services to improve outcomes for children, young people, and their families.
- Engage in, facilitate and contribute to professional and care team meetings where appropriate.
- Initiate and support referrals to other agencies where appropriate.
- Work in close collaboration with Department of Family Fairness and Housing, placement services and other stakeholders.
- May be asked to work across QEC community programs as directed by local Area Manager.
- Track all service activity hours for each family meeting target hours of service for each family as per program Key Performance Indicators.

4. High quality safe care

- Provide high-quality intensive, flexible and responsive early parenting support suited to family needs.
- Work in partnership with families to identify goals and build parenting capacity to enhance their children's development, safety and well-being.
- Identify and manage actual and potential risks to children in accordance with QEC policies, procedures and legislative requirements.
- Engage and promote continuous quality improvement processes.
- Contribute to the development and review of policies and procedures.
- Participate in regular clinical audits, as required.
- Ensure compliance with all mandatory requirements ensuring child safety / wellbeing at all times.

5. Positive environment

- Actively participate as part of a multi-disciplinary team to meet the needs of the families in order to achieve their goals.
- Reflect on self and practice, identify areas for personal & professional growth.
- Actively participate in regular clinical supervision and Reflective Practice
- Actively participate in and contribute to team learning, development and positive culture.
- Assist with new employee induction and training.
- Other duties as required by Area Manager.

5. Key Selection

Essential Criteria

- Demonstrated ability to undertake complex casework with families (including pregnant women) and children who have experienced trauma.
- Demonstrated ability to assess, plan, implement and review appropriate interventions to support the development of parenting capacity and family functioning.
- Demonstrated experience and theoretical understanding of the issues facing highly vulnerable parents in their ability to ensure the safety and wellbeing of their children.
- Experience supporting families to access relevant services to address underlying vulnerabilities and risk factors.
